JUNIOR M.A.P.

Programming
2015-2016

Engaging Grade 4-8 students to reach their ultimate potential.

JUMP Math

Grades 4-8

JUMP Math is a program that enhances the potential in children by encouraging an understanding and a love of math.

Reading Programs

Grades 4-8

Research shows that 42% of Canadian adults between the ages of 16 and 65 have low literacy skills. We are working to specifically target literacy goals through multiple reading challenges, activities, books, and games.

GET READY!

Grade 8

Focuses on the transition from Elementary school to High School and all that may entail, including choosing classes, summer school, high school rankings and more.

Jr M.A.P. Online Blog

Grades 4-8

An interactive new take on the School Newspaper. Students will have the opportunity to write articles, take pictures and learn basic programming.

Tutoring

Junior M.A.P. Grades 4-6
Intermediate M.A.P. Grades 7 & 8

Mondays-Thursdays: 4pm-7pm

Students will be able to receive individualized tutoring help from qualified volunteers who can provide assistance with homework, projects or studying for upcoming tests. Being part of M.A.P. means that you are part of the bigger picture of specialised focus based on our four guiding pillars of support:

Academic
Social
Financial &
Advocacy

Participants can also participate in Special programming.

Torch Club

Grades 7-8 (Open Club-wide)

Torch Club members will attend weekly meetings throughout the year to learn about leadership, volunteering & teamwork.

Cha-Ching: Money Smart Kids

Grades 4-8

Financial literacy is important for all ages. Students will learn how essential it is to save their money and also the value of money for the future.

Check Mates

Grades 4-8 Beginner to Expert.

Studies have shown that test scores improved by 17.3% for students engaged in chess. Chess teaches patience, strategy, concentration, memory and many other transferable skills.

Saturday Program

Grades 4-8

Two Saturdays a month 10am-1pm

Students will participate in workshops, out-trips to educational venues and listen to guest speakers. This Program is a privilege and by invite only.
